

REPORT OF THE PROGRAMME CONDUCTED

Dept. of
Sree Sankara College Kalady

Title of the activity	INSPRIT 2023 - Exhibition cum Summer food fest
Date and Time	13/03/2023 10.00 am to 4.00 pm
Resource person	
Nature of activity	College
Type of Activity	extension,
Linkage Activity	
Convener	ESSY C CHERIAN
Number of participants	500
Brochure	View Brochure

Report of the activity

On 14th March 2023, INSPIRIT 2023 – the Mathematics exhibition was held in the auditorium in collaboration with SMART. It started at 10.30 am. Our respected principal Dr. Preethi Nair inaugurated the function and gave a small message about soft skill development of students through these type of programmes. We divided the auditorium into different zones. Apart from the models and charts one zone was designated to solve the puzzles and another for games. Students from various departments enthusiastically participated in puzzle solving and games and they appreciated the hard work put by their fellow friends. Rewards were also given to the winners. Students from nearby colleges and schools also visited the exhibition and asked questions, where our students got an opportunity to communicate their thought. Appreciation was observed when students spoke and explained their models in detail. Teachers from various departments also participated actively in puzzle solving and games. Another attraction of the programme was the summer food fest arranged by our students, led by 2nd and 3rd years. They served varieties of delicious local as well as continental cuisines. It was indeed an exhibition which gave them exposure and confidence to present their thoughts and ideas. Thus the programme was highly worth to students because of the hard work put by Ms Uma Maheswari P B and Mrs. Vishma A R, as conveners of INSPIRIT 2023. The programme ended by 4'o clock

exposure and confidence to
