

Flood Risk Management Training 2018

Three Day Training Program on 'Flood Risk Management in and around Kalady' jointly organized by Bhoomitrasena Club and IQAC funded by KSCSTE was ended on 6th Sunday January 2019. The training was inaugurated on 4th January by Sri. Muralee Thummarukudy, Chief, Disaster Risk Reduction UNEP. SRI.K. Anand presided over the meeting. Principal welcomed the gathering. The key note address by Sri Thummarukudy on 'Was flood a Natural Disaster' was very significant and thought provoking. Dr. K Krishnadas, Syndicate member MG University and Prof. C.P Jaisankar COO Sree Sankara group of institutions marked felicitations. This was followed by the session handled by Smt. Sheeladevi Dy. Collector of Disaster Management, Ernakulam District who shared her experience on post flood measures taken by the District Disaster Management Authority. Afternoon session was taken by Dr.T.V sajeev, Research Coordinator KFRI. He presented the big picture and the lessons from the Flood 2018 for the small State of Kerala. On 5th forenoon Dr.K.R Baiju, Associate Professor, School of Environmental Science, MG University Kottayam focused on the geological, meteorological and anthropogenic causes of the recent floods, landslides and associated hazards. We will also try to discuss about various strategies for the management of these hazards. After lunch break participants were taken to selected flood affected areas of Kalady Panchayath – Kaipattur, Manikyamangalam, Chengal, Vattathara and Kanjoor to collect information regarding post flood. They collected data based on the questionnaire and compiled for presentation. On 6th Adv. Harish Vasudevan Green Activist & Environment law Expert lead the session on Environment Planning in Disaster Risk Reduction. He emphasized the role of environmental planning to reduce the chance of disaster and its impact to the society. It was followed by the competitions conducted among the participants – Survey Report presentation and Poster presentation based on Kerala Flood 2018. Valedictory session was inaugurated by the President of Kalady Panchayath Smt. Thulasi Teacher presided by the Principal Sri. Sambu Sir. IQAC Coordinator Dr. S Mohan welcomed the gathering, Dr. Manju T marked felicitation. Dr. Ratheesh C Nair recapped the array of events of the three days of training. Sambhu Sir distributed the certificates to all the participants and Thulasi teacher gave away prizes to the winners. Dr. Mini K D thanked everyone who worked hard for the success of the program.
