Activity Report 2021-22

Birds Club International is a non-profit organisation that aims at promoting interest in birds, conservation of nature and the environment through public campaigning and education. Started in 2010, by National and International award-winning Indian filmmaker Jayaraj Rajasekharan Nair, it is registered as a charitable company with the aim of environmental revival, conservation, and promoting sustainable use of natural resources- with the focus on Birds to convey our message.

Birds Club (BCI) was officially inaugurated in Sree Sankara campus on 9/11/2020 by Sri Jayaraj, renowned Film Maker & the Founder of BCI.

National Bird Day 5/1/2022

Birds have ecological value as important elements of natural systems. Birds provide insect and rodent control, plant pollination, and seed dispersal which result in tangible benefits to people. The day was celebrated by students by capturing the photos of the birds spotted .
