All NSS volunteers reached in time for the camp. The camp was inaugurated by MG university syndicate member Dr K. Krishnadas. The meeting was dispersed at 6:30. Later, all NSS volunteers were arranged in to groups and they were assigned with different duties. The volunteers were grouped into 6 groups. There were an interaction section and other camp activities during the night.

Camp Day-2 22/12/2018 Saturday

The camp started with a parade. At 7:00am all volunteers assembled in the school ground for morning exercise and Parade, which was led by senior NSS volunteer Nikhil who attended the R.D camp. After the exercise and parade volunteers were served tea and snacks by the volunteers in mess duty. This day all the volunteers were assigned the task to make awareness on the hazards of plastic to the general public, for which the groups of volunteers visited each house in ward 2 and taught them the ideal way to process the plastic waste. They also made their efforts to make them aware about the hazards of plastics. Volunteers also collected the plastics I sacks from the compound and nearby places. After completing their task every volunteers reached camp in 1:30pm class was organized by Vijayakumar Sir on the topic "Waste Management ". From 6:00 pm different cultural programs by the NSS volunteers has started.

Camp Day-3 23/12/2018 Sunday

As usual the day started with yoga and parade. We visited ward No.2 for the purpose of cleaning. There was a festival in the temple and we the volunteers implemented Green Protocol there. We collected all the plastics from that ground and disposed it in the right way. We gave awareness about the hazards of plastics to the temple festival committee and suggested them to use steel plates and glass instead of using plastics. We conducted an orientation class under the supervision of Minu miss on the topic 'Youth and social service'. Cultural programs started at 6:00pm. Every volunteer actively participated in all programs.

Camp Day-4 24/12/2018 Monday

Yoga started on time. The volunteers were assigned to clean the canal in ward No2. We cleaned the nearby sides of the canal. The canal was polluted by plastic wastes. The water flow was restricted due to densely grown plants. Conducted a class on the topic 'Personality Development' by Shineed . Cultural Programs started at 6:30pm.

Camp Day-5 25/12/2018 Tuesday

Even though it was a Christmas day, the day began with the yoga class and parade. All volunteers actively went for the cleaning purpose. We spent the day with the people who survived flood which shook Kerala during late 2018. There was an interaction Session with Mis.Sheethal, a transgender, in which she shared her life experience and problems faced in this society as who she is. After 5.00 clock we celebrate Christmas.

Camp Day-6 26/12/2018 Wednesday

The day was scheduled with two sessions in morning and afternoon. The 1st session was the class conducted by sijo (ASIAT) programme officer Sir. He taught the volunteers how to make paper bags. Afternoon session all volunteers were given an opportunity to share their experience from Seven Day Camp, and also made the volunteers to analyse what they have gained from the camp. The session also helped us to realize our actual abilities and how to utilize it for the social cause. Cultural programs started at 6:30 pm.

Camp Day-7 27/12/2018 Thursday

This was the last day of our camp. All the volunteers assembled for parade on time.
