### Innovation day celebration

Innovation day is celebrated with the official inauguration of Institute Innovation Council in association with the Entrepreneurship Development Club and Research and Postgraduate department of Chemistry on November 10<sup>th</sup> 2022 at Sri Chandrasekara Bharathi Theertha Seminar Hall, Sree Sankara College, Kalady by Dr. Renu Susan Samuel, Innovation ambassador, IEDC Assistant Nodal officer, St. Peter's College, Kolenchery, around 10.30 am. The programme coordinator Dr. Seena K. Thomas welcomed the gathering. Principal of Sree Sankara College, Kalady presided the function and felicitation was given by IQAC coordinator Dr. Manju T. Dr. Sinitha B. Nair gave vote thanks for the participants. Students from the Chemistry, Physics, Economics and Statistics department and the members of ED Club were the participants of the programme.

# SEMESTER -1

## QUARTER -1

### MIC DRIVEN ACTIVITY-1

#### PM launches 5G services on 1<sup>st</sup> October 2022 at 10 am

5G technology will offer a wide range of benefits to the common people. It will help in providing seamless coverage, high data rate, low latency, and highly reliable communications. Also, It will increase energy efficiency, spectrum efficiency and network efficiency. 5G technology will help in connecting billions of Internet of Things devices, will allow higher quality video services with mobility at high speed, and delivery of critical services such as telesurgery and autonomous cars among others. 5G will help in real-time monitoring of disasters, precision agriculture, and minimising the role of humans in dangerous industrial operations such as in deep mines, offshore activities etc. Unlike existing mobile communication networks, 5G networks will allow tailoring of requirements for each of these different use cases within the same network. The IMC 2022 is scheduled to be held from 1st to 4th October with the theme of “New digital Universe”. It will bring together leading thinkers, entrepreneurs, innovators, and government officials to discuss and showcase unique opportunities emerging from the rapid adoption and spread of digital technology.

#### **Report on Innovation & Entrepreneurship Outreach Program in Schools, the Exhibition (CHEMANTRA-2023) conducted by Research and Postgraduate Department of Chemistry on 19<sup>th</sup> January 2023**

Research and Postgraduate Department of Chemistry, Sree Sankara College, Kalady conducted an Innovation & Entrepreneurship Outreach Program in Schools/Community: Chemical Expo-‘Chemantra-2023’ on 19-01-2023 as part of the chemistry association's activities. The main purpose of the exhibition was to inculcate an interest in chemistry in a fun filled manner and to help in moulding a prospective future in the field of Chemistry.

The exhibition was designed and organised by the students of Chemistry Department. Chemantra-2023 in association with IIC and was sponsored by our IQAC's SMART scheme. The exhibition was inaugurated by Dr.Preethi Nair, Principal, Sree Sankara College. The exhibition showcased different interesting experiments, still models and charts which would help in reiterating the students' interest in the subject. About 170 students from the nearby schools participated in the exhibition. A quiz competition was also conducted for the school students.

The Faculty and students from other Departments also took part in the event. Teacher coordinators were Dr. Jesitha K (Assistant Professor), Dr. Gireesh M K (Assistant Professor) and Smt. Manjula Krishnan (Assistant Professor and Head) Department of Chemistry.

*A hunt behind the bonds*

CHE-mantra is an initiative by the Chemistry Association of Sree Sankara College to develop and enhance your love for chemistry. This chemical expo showcases experiments with still models, working models and various amazing and interesting facts related to chemistry. Selected students who are interested in Chemistry are welcome to take part in the exhibition. It will help in reiterating their interest in the subject and help in moulding a prospective future in the field of Chemistry. It may be noted that these students who attend and participate in the above venture will be provided with participation certificates. Further, the expo will be winding up with a quiz competition based on the experiments and information that we showcase. We cordially invite your students to the exhibition.

**Venue : Chemistry wing**

**Exhibition : starts from 10:30 am**

### **Report on Mentoring Event: Poster Presentation of Innovations, Experts for Mentorship Support - Manage through YUKTI-NIR the National Seminar on Innovations in Polymer research**

Research and Postgraduate Department of Chemistry organised a Mentoring Event: Poster Presentation of Innovations, Experts for Mentorship Support - Manage through YUKTI-NIR:

National seminar on Innovations in Polymer research on 25<sup>th</sup> January 2023 at Seminar hall of Sree Sankara College Kalady. The registration started at 09.30 am and inaugural session was from 10-11am. The programme was presided over by Dr. Jacob George, Senior Associate Director of Adi Sankara group. The National seminar was inaugurated by Dr. Meera Balachandran, Professor & Vice chairperson, Department of Chemical Engineering and Material Science, Amrita Vishwa Vidyapeetham, Coimbatore. Book Releasing of Dr.Sandhya P.K and Dr. Sreekala M.S. is done by Dr. Jacob George and Dr. Preethi Nair, Principal, Sree Sankara College, Kalady and one copy of the book is donated to Dr. Midhula, librarian, SSC, Kalady. A copy of Ph.D. thesis of Dr. Lakshmipriya R. is also donated to Dr. Midhula. The

programme convenor was Dr. Seena K. Thomas (Assistant Professor, Department of Chemistry) and the co-convenors were Dr. Jesitha K (Assistant Professor, Department of Chemistry) and Dr. Gireesh M.K. (Assistant Professor, Department of Chemistry). A total of hundred participants including students and faculty members attended the programme.

Technical session I was from 11.15 am to 12.15 pm. was handled by the keynote speaker Dr. Meera Balachandran on high performance polymer composites for aerospace applications. The session was highly research oriented and was highly beneficial to the students. Technical session II was from 12.15 am to 1.15 pm. was handled by the invited speaker Dr. Bindu Sharmila T.K., Vice Principal & Associate Professor, Maharajas College, Ernakulam on recent advances in Material Sciences . The session was very motivating, and students interacted well with the resource person. Technical session III was from 2 pm to 3 pm. was handled by the invited speaker Dr. Midhun Dominic C.D., Assistant Professor, Dept. of Chemistry, SH College, Thevara on Nanocomposites for Sustainability: A Distinct Focus on Green Tyres and Green Packaging. The session was very interesting, and students listened and interacted well. The session was very informative to the students. Oral and poster presentations of research scholars are conducted as parallel sessions. Best oral and poster presenters are awarded in the valedictory session by Dr. Preethy Nair.

The Entrepreneurship Development Club has organised an Mentoring Event- "Trade Fair 2023" on January 31<sup>st</sup>, 2022 in collaboration with IIC, Sree Sankara College, Kalady, NSS, Department of Economics, and Department of Commerce. College students, ED Club members, NSS, Self Help Groups, Women Entrepreneurs, and other vendors set up stalls. In college, a real market model was created, and students used a variety of marketing and entrepreneurial skills. Food, Arts and Crafts, Organic Vegetables, Jewelry Games, Mehendi Designing, Facial Arts, and other stalls were available. Almost all of the products were sold, and the total sales amount exceeded Rs 25,000. The fair began at 10 a.m. in College Centre Circle. Dr. Jacob George, Senior Associate Director, Adi Shankara Institute of Science and Technology, Kalady, launched the programme by purchasing products from stalls set by student entrepreneurs.

Programme	As the part of National Science day celebrations, P.G. Department of Physics, in association with IQAC and Institutions innovations council (IIC), Sree Sankara College, Kalady hosted "ISRO- Space on wheels" exhibition by Vikram Sarabhai Space Centre Thiruvananthapuram
Organizer	P.G. Department of Physics
Associating Partner	IIC and IQAC of Sree Sankara College, Kalady
Number of participants	518
Date and Year	01 March 2023
Objective	The objective of the exhibition was to create awareness about space research and ISRO's progress in space research among the students.
Outcome	This event helped everyone to learn and understand about the contributions of Indian space scientists in exploring technologies for learning more about space and use the knowledge acquired for the benefit of mankind..
Expenditure	Rs.2000/-

As the part of National Science day celebrations, P.G. Department of Physics, in association with IQAC and Institutions innovations council (IIC), Sree Sankara College, Kalady hosted "ISRO- Space on wheels" exhibition by Vikram Sarabhai Space Centre Thiruvananthapuram on March 1<sup>st</sup> 2023 at college campus from 9.00 am to 5.00 pm. The programme was inaugurated by Sri. Ben Jos, Head of the Department of Physics. More than 500 participants including faculty members, U.G., P.G. and school students participated in the programme. Space on Wheels is arranged inside a bus and features models of ISRO launch vehicles, satellites, space applications, and the launchpads at the Satish Dhawan Space Centre, Sriharikota.

As part of National Science Day Celebrations, Department of Physics in association with IQAC of Sree Sankara College is hosting **SPACE ON WHEELS** exhibition by Vikram Sarabhai Space Centre (VSSC), ISRO Trivandrum. The exhibition is envisaged to provide a window to college as well as school students towards the fascinating world of outer space. The event can help them learn about the contributions of Indian Space scientists in exploring technologies for learning more about space and use the knowledge acquired for the benefit of mankind. All interested students and staff are cordially invited to visit the exhibition.

The P.G. Department of Physics organised a One Day Workshop Trends in Physical Sciences (TriPS - 2023) on 08.02.2023 under the support of SMART scheme of IQAC. TriPS is conducted once in two years and this workshop entitled Avenues in Quantum mechanics is the 6th edition of TriPs series. The proposed workshop provided a platform for UG and PG students of Physics and Chemistry, Research scholars and Teachers to refresh the basic principles of Quantum Physics and to familiarise with advances in Quantum Mechanics such as, Quantum Computing, Quantum Field Theory, etc. The programme was indeed a great success. Inaugural function was started at 10.00 am with welcome address by Dr. Sinitha B.Nair ,Convenor of the workshop. Principal Dr. Preethi Nair was the president of the function and workshop was

inaugurated by eminent Physicist and academician, Dr. N. Shaji, Adjunct faculty, Dept of Physics, Cochin University of Science and Technology followed with felicitation by Dr. Biju Thomas., IQAC member. After the inaugural function, there were two technical sessions which was handled by Prof. Dr. N. Shaji and he delivered the talk on various aspects of Q.Mechanics. During the morning session, the basic concept of Q. mechanics was explained and the class was highly informative and interesting and it helped the participants to strengthen their foundations in Mechanics. In the afternoon session, participants were familiarised with the newly emerging discipline of Quantum computing. Both sessions were enriching for the participants. The workshop ended around 3.45 pm with a vote of thanks by Sri Ben Jose, Head of the Department of Physics.

**MIC DRIVEN ACTIVITY-1**

**Leadership talk with Prof. TG Sitharam**

Faculty and students of the Institution Innovation Council of PiMSR attended the MIC Leadership Talk on “India First – Leadership Talk Series” session with Chairman AICTE, Prof. T. G. Sitharam on 30th January, 2023. Prof. Sitharam explained the various facets of leadership and the important attributes required by aspiring leaders.

**Prof. T.G. Sitharam** said “Research” is very critical for the success of HEIs as well as the country’s growth. He cited the vision of PM Narendra Modi Ji for a self-sufficient (Atma Nirbhar) country by 2047. For this research and innovation activities play a vital role. He said, innovation is started by way of establishing IICs in Institutions, but now there is a need for carrying research work also. For promoting research activities in the HEIs, funds also needs to be pumped in the education system and AICTE would focus upon the same to the fullest. He said, these days’ students are more focused upon getting a B.Tech degree and searching for a job, but it’s vital to go for research activities for transformation of the country.

He also quoted that innovation will lead to products, technology and problem solutions development and will help India in becoming a developed nation and start exporting. He also told about the future plan of AICTE as publishing books in different languages of the country which would help in understanding of the problem and development of ideas at a much faster rate.

In the last, **Prof. T.G. Sitharam** shared the Mantra for stress management by following simple steps. He said, always learn what you want to learn and enjoy doing the same. He highlighted to have a goal and make a habit for making serious and sincere attempts to achieve the goal. He also said to believe in yourself and never fear for the unsuccessful. At last he said, Perseverance is the key to success.

**Orientation session on IIC 5.0 and features**

Faculty and students of the Institution Innovation Council of PiMSR attended the MIC organised “Orientation Session on IIC 5.0 (2022-23)” Session by Mr. Dipan Kumar Sahu on 11th January, 2023. This session was organized by Innovation Cell of Ministry of Education (MoE) Government of India in an online mode. Mr. Dipan Kumar Sahu, Assistant Innovation Director, MoE Innovation Cell addressed the participants. The objective of the session was to explain the National Innovation and Startup policy’s Policy Formulation, Policy Implementation and Policy Impact creation.

The objective of the session was to orient the IICs on the following areas:

Shri Dipan Sahu, Assistant Innovation Director, MoE’s Innovation Cell delivered a brief presentation on the objectives of the Orientation Session. He said IIC 5.0 registration and participants guidelines, Introduction to new features of IIC 5.0 portal and how to use it, Catch a glimpse of various programmes and schemes of IIC institutions and Incentives and measurement of performance IIC institution’s effort. Some of the key areas covered by Shri Sahu are as follows:

1. Indian Innovation Ecosystem and Indian Education System with focus on NEP – 2020
2. Institutionalising Innovation and Entrepreneurship Ecosystems in HEIs
3. Action plan for I&E in School and HEIs: Policy
4. Synchronization and Integration of Policy Programme
5. National Innovation and Startup Policy 2019 for students and faculty

## REPORT

### **ALUMNI TALK ON START UP SERIES I: “HOW TO PLAN FOR START UP AND LEGAL & ETHICAL STEPS”**

The Entrepreneurship Development Club in association with the Post Graduate & Research Department of Microbiology and Institution Innovation Council of Sree Sankara College, Kalady has organized an alumni talk on start up on 27<sup>th</sup> March 2023 at 10 am in the topic “How to plan for Start Up and Legal & Ethical Steps”. The main objective of this programme was to motivate students to translate their innovative ideas and research outcomes to market

ready products, technology and services. The main attraction of this talk series is the alumni of Sree Sankara College who share their experiences in the process of launching a startup.

The inaugural session was begun with a prayer. Dr. Sumi Mary George, the associate professor in the Post Graduate and research department of Microbiology and the IPR activity coordinator of Sree Sankara College, Kalady welcomed the gathering. The function was presided over by Dr. Preethi Nair, Principal of Sree Sankara College. The programme was inaugurated by Mr. Ajay Basil Varghese, Nodal Officer, Technology Business Incubator, Adi Shankara Institute of Engineering and Technology, and Mr. Thajudeen Aboobaker, CEO of the startup 'Urban Trash' and alumni of the department of Zoology. Dr. Manju T, IQAC coordinator of Sree Sankara College has felicitated the programme.

Post Graduate and Research Department of Microbiology, Sree Sankara College has developed a food waste composting microbial consortium which they wish to test on a trial basis. The Startup 'Urban Trash' has expressed an interest in conducting trials on the accelerator. So, an MoU was exchanged between the PG and Research department of Microbiology and 'Urban Trash' during the programme for collaborative research on waste management.

The resource persons shared their startup experiences during their presentations. During the feedback session, students interacted with them and thanked them. Ms. Gopika G and Ms. Gowri Antherjanam from the ED club, as well as Dr. Seenaa K. Thomas and Dr. Sinitha B. Nair from the IIC, have actively participated in the programme. Ms. Sowmya M R, the startup activity coordinator, proposed a vote of thanks for the programme.
