

## REPORT OF THE PROGRAMME CONDUCTED

Dept. of  
Sree Sankara College Kalady

---

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| Title of the activity  | National Webinar on "Frontiers in Chemical sciences and Career Orientation" |
| Date and Time          | 16/03/2021                                                                  |
| Resource person        |                                                                             |
| Nature of activity     |                                                                             |
| Type of Activity       | ,                                                                           |
| Linkage Activity       |                                                                             |
| Convener               | ..                                                                          |
| Number of participants | 0                                                                           |

Report of the activity

The Research and Postgraduate Department of Chemistry conducted a nation webinar on "Frontiers in Chemical sciences and Career Orientation" from 17 - 19 March 2021. Eminent scientist Dr. Fateh Veer Singh, Dr. Abi. T. G., Dr. Anilkumar P. V., Dr. D. Santhana Lakshmi, Dr. A. Sujith and Dr. Sreejith Sivaramapanicker have presented papers through online platform MS Teams.

Outcome of the activity
