Report of the activity	The Graduate Aptitude Test in Engineering (GATE) for Biotechnology in 2024 is a national-level examination conducted for admissions to postgraduate programs in Biotechnology and related fields in various Indian institutes of higher education, including the Indian Institutes of Technology (IITs) and Indian Institute of Science (IISc). Additionally, GATE scores are also used by some Public Sector Undertakings (PSUs) for recruitment purposes. GATE is conducted jointly by the Indian Institute of Science (IISc) and seven Indian Institutes of Technology (IITs) on behalf of the National Coordination Board - GATE, Department of Higher Education, Ministry of Education (MoE), Government of India.

Outcome of the activity	The Department of Biotechnology is taking proactive steps to help students prepare for competitive exams and secure admission into prestigious institutions in India. The primary aim of this initiative is to assist students in preparing for top national-level competitive exams, including GATE (Graduate Aptitude Test in Engineering), GAT-B (Graduate Aptitude Test-Biotechnology), and JAM (Joint Admission Test for Masters). These exams are essential for admission to postgraduate programmes and future research opportunities. The initiative is focused on helping students gain admission to prestigious institutions such as the Indian Institutes of Technology (IITs), the Indian Institute of Science (IISc), the National Institutes of Technology (NITs), Indian Institutes of Science Education and Research (IISER) and RGCB (Rajiv Gandhi Centre for Biotechnology) in Trivandrum. Support for Competitive Exam Preparation. Our final year B.Sc. Biotechnology students, Ms Abhirami Sathyan and Ms. Lerish Johnson (2021-2024 Batch) have achieved a remarkable feat by successfully clearing the GATE-Biotechnology-2024 examination in their very first attempt.

Congratulations for your achievement in securing

GATE-2024
