Report of the activity The Joint Admission Test for M.Sc. (JAM) is another national-level entrance exam conducted in India. It is specifically aimed at admission into various M.Sc., Joint M.Sc.-Ph.D., M.Sc.-Ph.D. Dual Degree and other post-bachelor's degree programs are offered by the Indian Institutes of Technology (IITs) and the Indian Institute of Science (IISc).

Outcome of the activity The Department of Biotechnology is taking proactive steps to help students prepare for competitive exams and secure admission into prestigious institutions in India. The primary aim of this initiative is to assist students in preparing for top national-level competitive exams, including GATE (Graduate Aptitude Test in Engineering), GAT-B (Graduate Aptitude Test-Biotechnology), and JAM (Joint Admission Test for Masters). These exams are essential for admission to postgraduate programmes and future research opportunities. The initiative is focused on helping students gain admission to prestigious institutions such as the Indian Institutes of Technology (IITs), the Indian Institute of Science (IISc), the National Institutes of Technology (NITs), Indian Institutes of Science Education and Research (IISER) and RGCB (Rajiv Gandhi Centre for Biotechnology) in Trivandrum. Support for Competitive Exam Preparation. Our final year B.Sc. Biotechnology students, Ms Lerish Johnson and Ms Varada Shaji (2021-2024 Batch) have achieved a remarkable feat by successfully clearing the JAM-Biotechnology-2024 examination on their very first attempt.

**Congratulations  
for your achievement  
in securing  
JAM-2024**

Conducted by the  
Indian Institute of Technology (IITs)
