Report of the activity	<p>Students of the Department as part of the association events conducted 'A virtual walk-through history of Biochemistry'. The presentation included the history, contributions of great scientists in the field of biochemistry, scope and future of Biochemistry. Both PG and UG Bioscience students were the participants of the programme. The programme aimed at building up and improving creative skills in students. Meeting of the "The Helix", The Association of Biochemistry was held on 26-09-2023 in the department. The association selected new student coordinators. Planning of events and programmes under 'The Helix' for the new academic year were the main agenda of the meeting.</p>
Outcome of the activity	<ul style="list-style-type: none"><li>• To engage students in captivating learning experiences beyond the confines of prescribed syllabus and classrooms.</li><li>• All Students of the department added their contributions in making out the visual presentation.</li><li>• To improve creative skills in students</li></ul>
