1. **Title of the program:** Yuva Utsav
2. **Organizing Department/Cell:** NSS
3. **Date & Duration:** 15/06/2023
4. **Number of participants:** 85
5. **Detailed description of the event:**

On June 16, the NSS unit at Sree Sankara College collaborated with Nehru Yuva Kendra to host a vibrant one-day event, "Yuva Utsav," celebrating the talent and energy of youth under 25 from various institutions. The event showcased a diverse array of performances, bringing together young talents to create a memorable and culturally enriching experience. The event served as a platform for young individuals to express themselves through various programmes. The afternoon session was particularly captivating, featuring traditional art forms such as Kalari (a traditional Indian martial art) alongside other cultural performances. The inclusion of these traditional art forms added a rich cultural flavor to the event, connecting the present generation with the roots of Indian heritage. The inclusion of traditional art forms like Kalari added a unique touch, creating an immersive experience that celebrated both contemporary and traditional expressions of youth culture.

- 1. Title of the program:** BioFiesta Expo-2023
- 2. Organizing Department/Cell:** Department of Biotechnology
- 3. Date & Duration:** 27/06/2023
- 4. Number of participants:** 280
- 5. Detailed description of the event:**

Science exhibition 'Bio-Fiesta Expo-2023' organized by The Department of Biotechnology, Sree Sankara College on 27th June 2023 To highlight the outstanding talents of its students, the Department of Biotechnology at Sree Sankara College organized its science exhibition under the name "Bio-Fiesta Expo-2023." The exhibition's opening ceremony was held on June 27, 2023, and inaugurated by the exhibition's chief guest, Dr Anitha Abraham, the college's DDO (Drawing and Disbursing Officer). Dr Mini K. D, assistant professor in the Department of Zoology, and Dr Manju T, assistant professor in the Department of Physics, the college's IQAC coordinator, accompanied Dr Anitha Abraham. The dignitaries applauded the students' efforts to encourage young aspiring scientists and science enthusiasts to adopt a scientific mindset. Around 280 students from various well-known schools in the area participated in the event, which was free to enter. Graduate, postgraduate, and research students from multi-disciplinary departments at the Parent Institution also attended, making the event a grant success. The department's students displayed more than 50 displays, including working and still models from many scientific fields as well as exhibits on socially significant subjects and live demonstrations of enzyme immobilization techniques. The displays were simply and clearly described to the participants by the organizing students. The department's young budding scientists at first portray a very socially important topic still model on the Brahmapuram challenges in Kerala- "Playing with fire: On the Brahmapuram fire and how Kerala needs to have a relook at its waste-processing".

Regarding the Brahmapuram fire and the need for Kerala to review its waste-processing with the aid of the use of biotechnology. In the previous century, recombinant DNA technology was only a theory that suggested desired traits may be enhanced in living organisms by managing the expression of target genes. However, in more recent times, this field has shown distinct impacts in improving human lives. This technique makes it possible to securely, economically, and sufficiently generate essential proteins that are needed for nutritional needs and health issues. This technique has interdisciplinary applications and the ability to address significant areas of life, such as boosting food resources, enhancing health, and resistance to many detrimental environmental consequences.

Genetically modified plants, especially in agriculture, have improved product yield, higher flexibility for better survival, and increased resistance to hazardous agents. Additionally, recombinant medications are currently used with confidence. With the aid of still models, working models, chart presentations, and animated video displays, the students from the Department of biotechnology were able to demonstrate the relevance of r DNA technology to the audience in a way that was both very instructive and easy to understand. Every new drug

discovery or drug approval not only draws cheers from millions of victims of debilitating diseases but also adds value to biotechnology companies.

In a complex play of scientific progress and market forces, the biotechnology industry is recording growth that can rival the information technology industry boom of the 1990s. India with its young workforce and a potential market for the end-products can look out for a bright future in the biotechnology sector. The department featured a special stall after in the exhibition which highlights the current trends, remarked that the ideas contain potential to lead up to an innovation and startups and potential applications of biotechnology to the youthful generation.

1. Title of the program: Meri Matti Mera Desh

2. Organizing Department/Cell: NSS

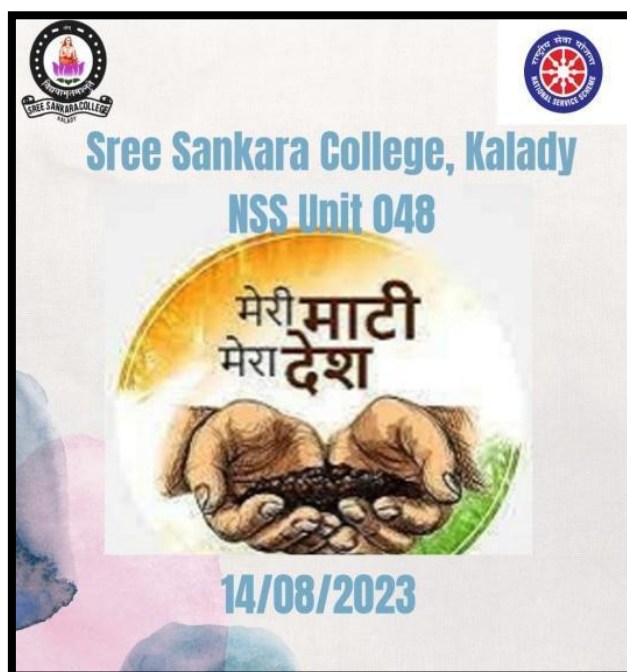

3. Date & Duration: 14/8/2023

4. Number of participants: 130

5. Detailed description of the event:

As part of their commitment to community service and environmental awareness, NSS volunteers actively participated in the "Meri Matti, Mera Desh" initiative. The central focus of this programme was to foster a sense of connection with the soil and promote environmental consciousness. NSS volunteers enthusiastically took part in the soil collection event. They gathered soil from various locations symbolizing the diversity and richness of the land. The collection process was not only a physical activity but also a symbolic gesture, emphasizing the importance of preserving and respecting the earth. The primary objective of the "Meri Matti, Mera Desh" initiative was to instill a sense of pride and connection among the volunteers towards their land. The collected soil, representing the diverse geographical regions, was symbolic of the unity in diversity within the nation and was handed over to the concerned persons in the district inauguration of the initiative on October 14th held at ASIET, Kalady. This initiative sought to create a shared understanding of the importance of preserving the environment and fostering a sense of responsibility towards the land.

2. Organizing Department/Cell: Department of Biotechnology

3. Date & Duration: 18/08/2023

4. Number of participants:150

5. Detailed description of the event:

On Friday, August 18th, 2023, the Department of Biotechnology at Sree Sankara College organized a vibrant Onam celebration at the Pothiyakara Sneha Sadan Special School. This event was part of the department's extension activities aimed at promoting understanding and fostering connections among various social groups. The primary objective was to bridge the gap between different sections of society while spreading joy and cultural richness.

The event witnessed enthusiastic participation from the department's students who showcased not only their artistic talents but also their eagerness to engage in meaningful interactions with the inmates of the Sneha Sadan Special School. The students organized a variety of entertainment programs, including solo and ensemble performances, which captivated the audience and brought smiles to their faces.

Beyond merely providing entertainment, the students actively engaged the inmates in therapeutic and educational activities such as paper crafting. These activities not only brought moments of joy but also served as avenues for learning and personal growth for the inmates.

As a gesture of solidarity and support, the Department of Biotechnology gifted Onam special sweets and provided a small financial contribution to the Sneha Sadan charity. This token of love and generosity symbolized the department's commitment to making a positive impact in the lives of others, especially those in need.

The Onam celebration at Pothiyakara Sneha Sadan Special School was a resounding success, thanks to the dedication and efforts of the department's students and faculty. It exemplified the spirit of compassion, inclusivity, and cultural exchange, reflecting the core values of Sree Sankara College and its Department of Biotechnology.

Moving forward, the department remains committed to organizing similar events that not only enrich the lives of the community but also foster a sense of belonging and mutual respect among all social groups.

1. Title of the program: Nallonam and Snehapudava

2. Organizing Department/Cell: NSS

3. Date & Duration: 25/8/2023

4. Number of participants: 100

5. Detailed description of the event:

As part of the Onam celebrations, on August 25, NSS Unit 048 organized two other impactful initiatives, "Nallonam" Onam Kits Distribution and "Snehapudava" Programme apart from the "Kunjudup" programme at adopted school. These initiatives aimed at spreading joy, promoting inclusivity, and fostering a sense of community during the festive season.

NSS volunteers arranged and distributed "Nallonam" kits, each valued at 1000 rupees, to 15 deserving recipients in the adopted village. The kits, thoughtfully chosen for the Onam festivities, included essential items to enhance the celebratory spirit of Onam. The distribution of these kits was a gesture to uplift the community and share the joy of Onam with those in need. The distribution of "Nallonam" kits was officially inaugurated by the Ward Member, K.T. Eldhose.

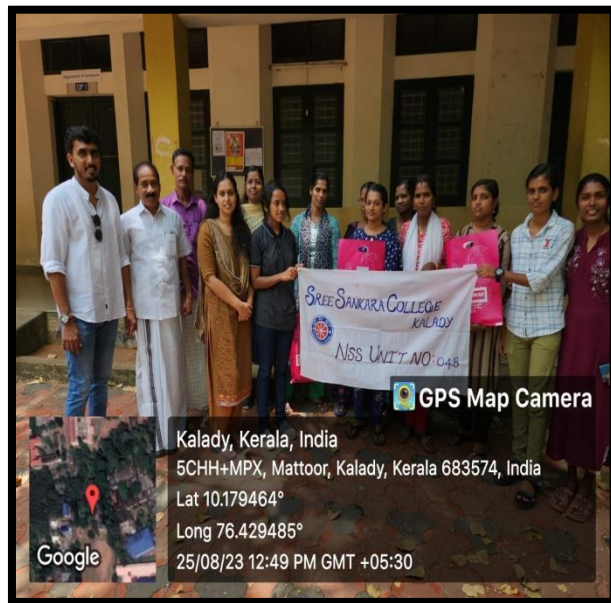

As part of the "Snehapudava" programme, the unit extended support to ten financially backward or unsupported women. These women were presented with "Onakkodi," symbolizing a gesture of love and care during the festive season. The programme aimed to bring joy to the lives of those facing economic challenges and to promote a sense of inclusivity within the community. The "Snehapudava" programme received the gracious presence of the Principal and the Ward Member. Their participation in the event emphasized the importance of community support and solidarity, especially during festive occasions.

Onam celebration initiatives, "Nallonam" Kits Distribution, "Snehapudava" and "Kunjudup", exemplify the spirit of compassion and community engagement. These initiatives not only brought joy to the recipients but also fostered a sense of togetherness and shared celebration during the auspicious occasion of Onam.

- 1. Title of the program:** “Beacon of Hope”: A Special Programme on Teacher’s Day.
- 2. Organizing Department/Cell:** Samsara The Music and Drama Club (Department of English Club
- 3. Date & Duration:** 5th September 2023
- 4. Number of participants:** Conducted by the students and teachers of the Department of English
- 5. Detailed description of the event:**

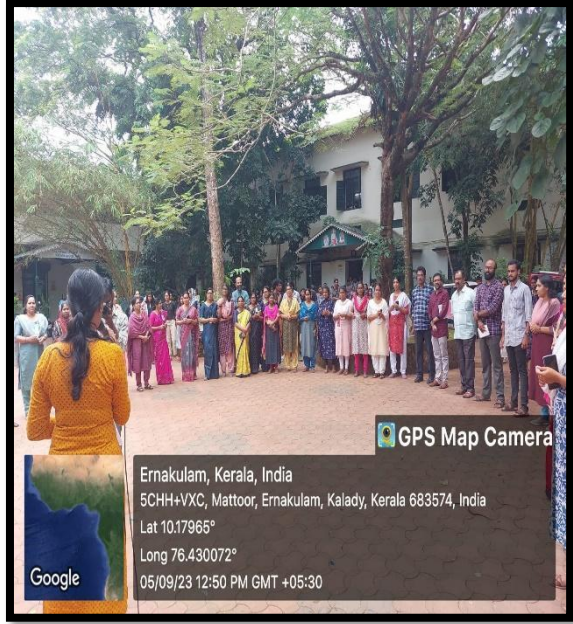

The programme was conducted to express heartfelt gratitude and appreciation towards teachers for their dedication, guidance, and contributions to the academic and personal development of students.

Many students participated to celebrate the role of teachers as mentors and facilitators in shaping the educational journey of students, acknowledging their positive impact on individual growth. Candles were lit to symbolize that teachers are beacons of hope. The students of the Department of English sang a song to commemorate the occasion.

2. **Organizing Department/Cell:** NSS

3. **Date & Duration:** 16/09/2023

4. **Number of participants:** 60

5. **Detailed description of the event:**

In line with the nationwide "Swachhata Hi Seva 2.0" campaign, NSS Unit 048 organized a creative and engaging flash mob at angamaly bus stand on September 16th. The flash mob aimed to raise awareness among the public about the importance of cleanliness and their role in contributing to a cleaner and healthier community. This flash mob also marked the beginning of the programmes that was conducted as a part of NSS week. The primary objective of the flash mob was to effectively communicate the message of Swachhata Hi Seva 2.0. Through dance, music, and visual appeal, the flash mob aimed to capture the attention of the public and convey the significance of individual and collective efforts in maintaining cleanliness.

1. **Title of the program:** Flash Mob @ Kalady Bus stand

2. **Organizing Department/Cell:** NSS

3. **Date & Duration:** 16/9/2023

4. **Number of participants:** 82

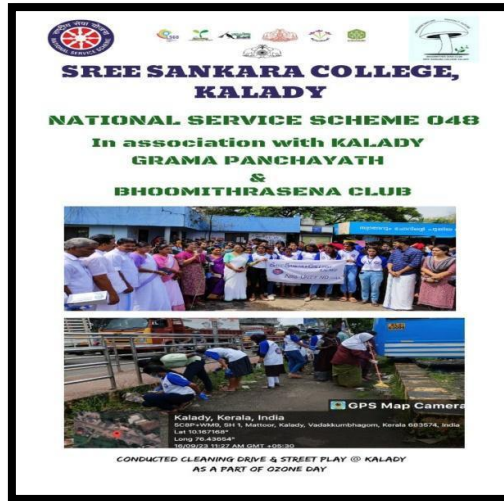

5. **Detailed description of the event:**

The Ozone Day Awareness Flash Mob at Kalady Bus Stand was an innovative and impactful approach by NSS Unit 048 in association with the Boomitrasena club to contribute to environmental education and conservation. This event not only increased awareness but also inspired a sense of collective responsibility among the community for the protection of our planet. In addition to the dynamic dance performance, NSS volunteers displayed banners conveying key messages related to Ozone Day. The volunteers thoroughly cleaned the busstand and its premises after the performance. The material highlighted the importance of the ozone layer in maintaining a sustainable environment and the role individuals play in its conservation.

1. **Title of the program:** Bodhi Memory Walk

2. **Organizing Department/Cell:** NSS

3. **Date & Duration:** 30/9/2023

4. **Number of participants:** 13

5. **Detailed description of the event:**

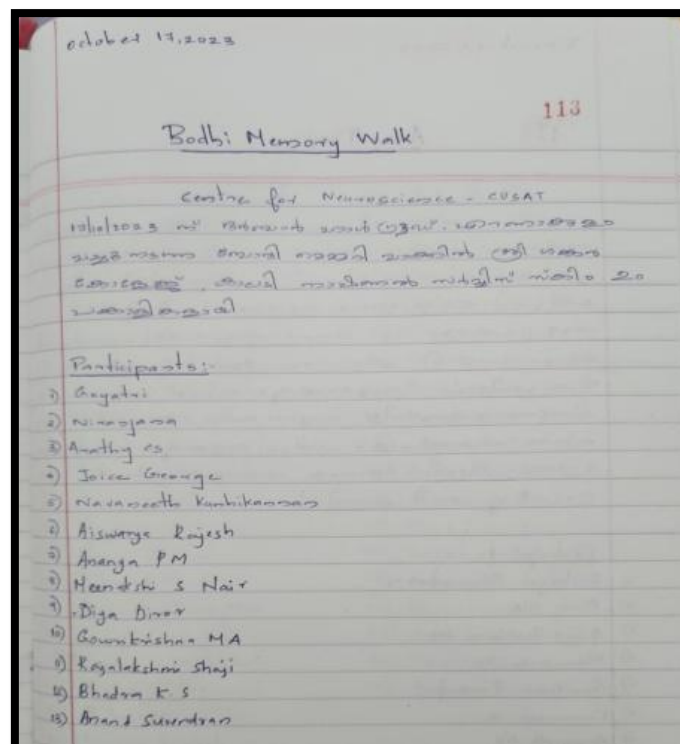

In connection with the Memory Month, CUSAT organized the Bodhi Memory Walk, an event dedicated to raising awareness about the importance of memory and mental well-being. The NSS Unit, recognizing the significance of the cause, actively participated in the event and made a notable contribution. NSS volunteers, showcasing their creativity and commitment, presented an energetic and meaningful flash mob as part of the Bodhi Memory Walk. The flash mob aimed to convey a message about the importance of memory, mental health, and the need for collective awareness and support. NSS volunteers actively participated in the walk, joining the larger community in promoting the cause of mental well-being. The walk symbolized a collective commitment to understanding and addressing issues related to memory and mental health. The NSS Unit's flash mob performance stood out, earning them recognition and a prize during the event. This acknowledgment reflected the dedication and creativity of the volunteers in effectively conveying the message of the importance of memory.

2. **Organizing Department/Cell:** NSS

3. **Date & Duration:** 2/10/2023

4. **Number of participants:** 24

5. **Detailed description of the event:**

The primary objective of the NSS volunteer visit to Sai Sadan, an old age home, was to extend companionship, care, and support to individuals who find themselves in a vulnerable and often overlooked phase of life. The visit was on October 2nd and was aimed aimed to create a meaningful connection with the residents, offering emotional support and uplifting their spirits. NSS volunteers engaged in one-on-one interactions with the residents, providing a listening ear and sharing conversations. The volunteers aimed to alleviate feelings of loneliness and foster a sense of belonging among the elderly residents. To bring joy and entertainment, the volunteers organized cultural programmes including songs and dances. These activities not only showcased the talents of the volunteers but also brought smiles to the faces of the elderly residents. The visit to Sai Sadan had a profound impact on the NSS volunteers.

1. Title of the program: White Cane Day @ Kalady

2. Organizing Department/Cell: NSS

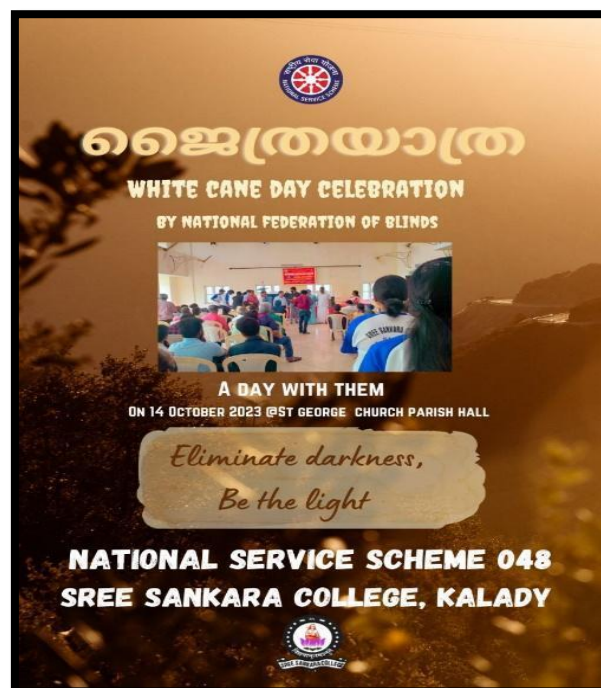

3. Date & Duration: 15/10/2023

4. Number of participants: 54

5. Detailed description of the event:

In observance of White Cane Day on October 15th, NSS volunteers extended their dedicated service to the visually impaired community for their annual meeting. This marked the second consecutive year of the volunteers' active involvement in providing support and assistance throughout the full-day event. NSS volunteers actively assisted visually impaired individuals in navigating through the venue. They provided guiding support, ensuring the participants could comfortably move around and actively engage in the event. Volunteers took charge of organizing the seating arrangements, ensuring accessible pathways, and facilitating an inclusive environment for all participants. The volunteers actively served as a helping hand for the visually impaired community in their annual rally. Volunteers offered assistance during meal times, ensuring that participants had access to their meals comfortably. This included guiding them to the dining area, describing the food layout, and providing any necessary support. NSS volunteers' active participation in the annual meeting for the visually impaired on White Cane Day reflects their commitment to inclusivity and community service.

ORIENTATION PROGRAMME and CULTURAL ACTIVITIES

Orientation to first year degree admission of 2023—2024 was conducted on 13/11/2023 at 11.00 A M at Chandrasekara Bharathi seminar hall of our college. The program started with a prayer by Amrutha of DC1 Mathematics and DC2 student Akshay Udayan welcomed everyone. The resource person was Smt. Rinusha T R, Research scholar at CUSAT. She gave a clear explanation of the prospects available to those who complete B.Sc. mathematics. She also said that not only M.Sc. Mathematics or M.Sc. Statistics, but courses like M.Sc. Actuarial science, M.Sc. Metrology, M.Sc. Data Science, M.Sc. Forensic science etc. can also be taken after B.Sc. Mathematics. Additionally, the class was informed about M.Sc. entrance, KTET, SET, NET and other tests. The students talked about their doubts after class. The interactive session proved to be beneficial. Students were able to have a knowledge of the career options available in mathematics.

After the Orientation program students actively participated in cultural activities, like group dance, Thiruvathira etc. Vishnu Rajeev of DC3 and Anjaly of DC1 sang songs. One of our Faculty Smt. Anjaly jose also performed.

The programme ended by 1.00 P M with a vote of thanks by Anjaly P of DC1 mathematics

- 1. Title of the program: WORLD ENERGY CONSERVATION DAY**
- 2. Organizing Department/Cell: Bhoomitrasena Club**
- 3. Date & Duration: 14/12/2023**
- 4. Number of participants: 68**
- 5. Resource Person/s: Sri.Azeem k, senior consultant, Allenso energy pvt.ltd.**
- 6. Detailed description of the event:**

Every year, on December 14th Energy Conservation Day is being commemorated world over. It is aimed at raising awareness about energy usage, ensuring the affordability of safe and sustainable energy for all people while targeting carbon emission reduction. The true meaning of energy conservation is to avoid unnecessary use of energy and to use at least power so that energy sources can be saved for future uses. To make energy conservation plans more effective, every person should include energy conservation in their behaviour. Bhoomitrasena Club of Sree Sankara College took the true spirit of Energy conservation & celebrated the Energy Conservation Day on 15th December 2023 with diverse programmes. The one-day programme was charted as follows: In the Forenoon session two talks by eminent experts in the focal area and an Energy Literacy quiz in the afternoon.

The programme started at 10.30 am with evoking the God's presence through the prayer by Janaky S Kurup and Anamika S of II DC Zoology. Programme Coordinator Dr. Mini K D welcomed the gathering. Principal Dr. Preethi Nair inaugurated the program and stressed the significance of celebrating such environmentally relevant days. The session started at 10.45 am by Sri. Sijo George, Associate Professor,EEE, ASIET Kalady. We were lucky to have very apt person to take the class as he is the Resource Person of Energy Management Centre Kerala. He spoke on the topic 'Energy Conservation & Energy Efficiency' and explained well the differences between energy conservation and energy efficiency. EE and EC measures can help to directly lower energy costs for consumers and potentially reduce greenhouse gas emissions associated with energy use. Consumers also benefit indirectly when reducing their electricity demand helps to reduce costs of electricity generation, transmission, and distribution. High electricity demand often results in higher costs for power generation and electricity transmission, which are passed on to customers in their utility bills.

The second session was at 11.50 pm which was led by Sri. Azeem K, Senior Consultant, Alenzo Energy Pvt. Ltd. on the topic; Home Energy Audit. It was really an important topic of practical application. Energy auditing will help consumers to (i) map energy usage in their households, (ii) conserve energy, (iii) improve energy efficiency and thereby (iv) maximize their household energy and cost savings. Students raised their doubts regarding the method of auditing which was cleared by the resource person. The class was ended up at 1.30 pm for lunch.

Afternoon session was planned to engage with the Energy Literacy Quiz. 12 teams of 2 students each were enrolled for the quiz. A preliminary round of screening test was conducted to select

the teams for final round. 4 teams were chosen for the final round competition. Dr. Sinitha, Dr. Anumol and Dr. Manju, the faculty members of BMC led the quiz. It was really interesting and all the contestants participated actively. The I year M.Sc. Students of Environmental science department secured the first prize followed by the students of II year Zoology (II Prize) and Physics department got the Third prize. The winners were given the prizes.

2. Organizing Department/Cell: Chemistry Department

3. Date & Duration: 22/12/2023

4. Number of participants:

5. Detailed description of the event:

The Chemistry Department at Sree Sankara College, Kalady hosted a joyous and memorable Christmas celebration on 22/12/2023. The event was a blend of festive spirit, creativity, and talent, drawing participation from various departments across the campus.

Highlights of the Celebration

1. Crib-Making Competition:

The centrepiece of the celebration was the Crib-Making Competition, showcasing the artistic talents and creative flair of the participants. Departments crafted cribs that reflected the true essence of Christmas.

First Prize: Chemistry Department

Second Prize: Physics Department

Third Prize: Sanskrit Department

The Chemistry Department's crib stood out for its intricate detailing, innovative use of materials, and a heart-warming depiction of the Nativity scene, earning them the top prize.

2. Carol Singing Competition:

The Carol Singing Competition was another major attraction of the celebration, resonating the campus with melodious hymns and cheerful vibes. Each department presented a carol with unique themes and harmony.

First Prize: Chemistry Department

Second Prize: Commerce Department

Third Prize: Physics Department

Fourth Prize: English Department

The Chemistry Department enthralled the audience and judges alike with their soulful performance, which was both vibrant and spiritually uplifting.

The celebration concluded with the distribution of prizes and a message of unity and hope for the upcoming year

SREE SANKARA COLLEGE, KALADY

Re-accredited by NAAC with A grade
Affiliated to Mahatma Gandhi University, Kottayam

1. Title of the program: National Mathematics Day celebration

2. Organizing Department/Cell: Mathematics

3. Date & Duration: 21/12/2023

4. Number of participants: 91

5. Detailed description of the event:

Puzzle competition

As a part of the National Mathematics Day Celebration, the Department of Mathematics Sree Sankara College Kalady organized a 'Puzzle Competition' on 21st December 2023 at 10:15 am. The venue of the competition was room no: T17. Students from mathematics, statistics, and physics participated in the competition. There was a total of 69 participants which consisted of first-year, second-year, and third year students.

The duration of the competition was 30 minutes. The participants were given question papers which consisted of 15 questions. Students actively participated in the competition and tried to bring out their best. The answers were valued by the teachers and Akshay Udayan of second year mathematics secured the first position with a total score of 10 out of 15. The second position was secured by Sobhith Dev Sajeevan of first-year physics with a total score of 9 out of 15.

The competition was a great success and it influenced the students a lot. It helped them to improve their logical and rational thinking. It also helped them to develop and use their arithmetic skills. The competition made the students capable of independent learning and promoted decision-making skills. It also encouraged them to think critically and solve the questions. As a whole the students enjoyed a lot and gained many new knowledge through the competition.

Games Competition

As a part of the National Mathematics Day Celebration, the Department of Mathematics Sree Sankara College Kalady, organized a 'Games Competition' on 21st December 2023 at 2:00 pm. The venue of the competition was room no: T17. Students from different departments participated in the games session. There was a total of 98 participants which consisted of the first-year, second-year, and third-year students of the college.

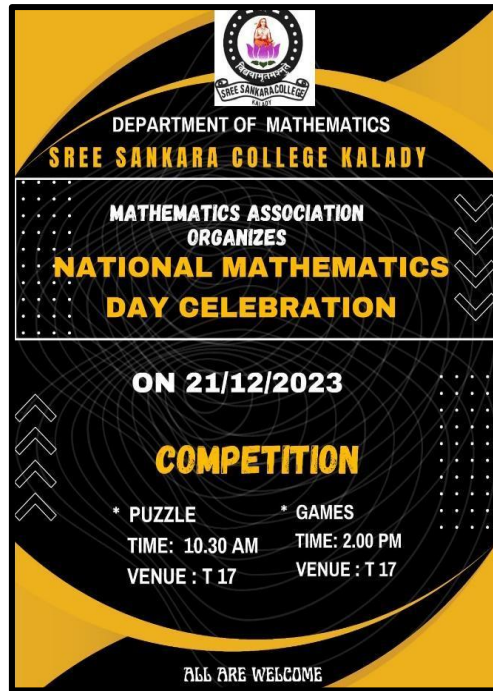

The game session was coordinated by the first-year, second-year, and third-year students of the mathematics department. A total of 6 games were there to make the session colourful. All the students enjoyed the session and the session ended by 3:45 pm.

The session helped the students to build strategic thinking and problem-solving skills. They learned to solve problems together, think strategically about what moves to make, and how to be successful in playing the game. Since games are always a means of recreation and don't need deep mathematical knowledge to play, students from various science and arts departments actively participated in the session. The session helped the

students to develop practical knowledge and critical thinking skills. Through playing the games they unknowingly developed their arithmetic skills also.

Anyhow the session was successful and each student enjoyed it well. Their minds got refreshed and it was a kind of brain exercise.

**CULTURAL ACTIVITIES CONDUCTED BY
COLLEGE UNION
2023 - 24**

College Union Inauguration

The college union inauguration took place on October 30, 2023, commencing at 10:30 AM. The event began with a vibrant cultural program presented by students, which captivated the audience until 12:30 PM.

The official inaugural session followed, graced by the honourable MLA, Roji M John, who inaugurated the function. The ceremony was attended by Principal Preethi Nair, Chairperson Bobin John, Staff Advisor K.P. Suni, and other union members.

The program continued until 4:30 PM, featuring a diverse range of cultural performances by students, making it a memorable and enriching experience for all.

Keralapiravi Celebration

Keralapiravi celebrations were held on November 1, 2023. The event commenced at noon with a vibrant procession, featuring students clad in traditional attire, accompanied by drum beats. Principal Preethi Nair, Staff Advisor K.P. Suni, teachers, and students participated in the procession, which marched from the college to Mattoor junction. The festivities continued at the college auditorium with cultural events, showcasing talents of both teachers and students.

Union Office Inauguration

In a milestone moment, Sree Sankara College Union inaugurated its first-ever union office, marking a significant achievement in the college's 70-year history. Principal Preethi Nair officially opened the union office on November 21, 2023. The event was met with jubilation from students and union members, who celebrated this historic victory.

Tarang Fresher's Day 2k23

On December 11, Sree Sankara College celebrated Tarang Fresher's Day with a spooky Halloween theme. Students dressed up in creative costumes and participated in a thrilling ramp walk competition. The event featured a variety of cultural performances by students, making it a memorable day for all.

Christmas Celebration

Sree Sankara College celebrated Christmas on December 22, 2023, with a festive array of events. The union organized competitions, including carol singing, crib making, and "Hey Santa." Other attractions included a campus market and lucky tree.

As part of the celebration, students visited an orphanage on January 7, 2024, and gifted presents collected from the student community. The Department of Chemistry took top honours in both the carol singing and crib making competitions.

The celebration culminated with a special appearance by film star Vinay Fort and his team, followed by a thrilling performance by the Namma music band.

Valentine's Day Celebration and Campus Biennale Inauguration

On February 14, Sree Sankara College celebrated Valentine's Day with a vibrant cultural program, featuring a ramp walk competition, couple dance competition, and other exciting events. The same day also marked the inauguration of the Campus Biennale, a prestigious art exhibition that showcases the creative talents of students. Mentalist Sivasankar Madhu unveiled the logo, officially launching the event.

The Campus Biennale, initiated in 2019, is a unique feature that sets our campus apart. The exhibition features an impressive array of art installations, wall paintings, and other creative works crafted by students.

Kalayug Arts Day 2023-24

The college union organized the Kalayug Arts Day from January 29-31, with the thought-provoking theme "Resistance against Moral Deterioration through Arts."

The three-day event unfolded as follows:

- January 29: Literature events kicked off the celebrations.
- January 30: The arts day was officially inaugurated, followed by on-stage events.
- January 31: The final day featured on-stage events, culminating in a captivating folk song performance by Folks of Sankara.

Literature Festival: Aksharayanam

After a hiatus, the college union, in association with Sahithya Literary Club, organized a two-day literature festival, "Aksharayanam," on January 19-20. The theme, "The Journey of Letters Around the World," added depth to the celebrations.

Renowned writers Francis Norona and Lijeesh Kumar interacted with students, sharing their insights and experiences. The festival also featured an elaborate book fair in the centre circle, offering a vast array of literary works.

Self-Défense Training Program: Ayodhana

A self-defense training program, Ayodhana, was conducted exclusively for girls at the Indoor Stadium. Renowned Judo trainer Akhil Muraleedharan led the empowering session.

Girls' Evening: Hey Nila

Sree Sankara College made history with its inaugural girls' evening, "Hey Nila," held on March 27, 2024. This groundbreaking event was a resounding success, featuring interactive sessions among students and inspiring talks by motivational speakers.

"Hey Nila" marked a significant milestone, symbolizing the freedom and empowerment of girls in society. It was a powerful statement, celebrating the college's commitment to fostering a supportive and inclusive environment for all students.

Farewell Party

A heartfelt farewell party was organized for the outgoing students on May 16, 2024. The event showcased a vibrant array of cultural performances by students. Principal Preethi Nair inaugurated the function, bidding a warm farewell to the departing students.
