Admission Procedure

Admission to all programmes offered by the institution is as per the norms of Mahatma Gandhi University Kottayam. Eligibility Criteria is also as per university norms. Admission / Allotment of seats under merit quota/community /PD /sports /cultural quota is governed by Mahatma Gandhi University, Kottayam through Centralized Allotment Process (CAP). The dates for admission / interview through CAP are notified in the University website.

Applicants must appear at the college for admission on the university-allotted date along with their parents or guardians. They must bring all the necessary documents for the admission process (which is listed below). Upon selection, tuition fees, caution money, and other fees should be paid at the college office.

For admission to Management Quota

The application forms can be obtained from the college office. Applicants should submit separate application forms for self-financing courses.

Only those applicants who have applied through CAP are eligible to apply for management quota.

The application number obtained from the university should be specified in the application form provided by the college.

The application form duly and legibly filled in by the applicant should be submitted to the college office on or before the last date notified by the University.

Incomplete or illegible application is liable to be rejected. Marks secured by the applicant at the qualifying examination should be carefully entered in the application form in the space provided.

The date & time of interview shall be notified in college notice board & college website.

Applicants will have to present themselves for interview along with their Parents/guardians with necessary documents.

Documents to be provided at the time of admission

MGU-UGP

The newly introduced Mahatma Gandhi University-Under Graduate Programme (MGU-UGP) shall have three broad pathways:

- (a) a 3-year UG degree;
- (b) a 4-year UG degree (honours); and
- (c) a 4-year UG degree (honours with research).

The major highlights are

Program Pathway

Students can choose major-minor options with different complementary or allied disciplines from sciences, humanities, and arts.

Switch Majors:

Students can change majors after the second semester to any minor discipline studied or to any multi-disciplinary course (a course they took in the first two semesters but did not study in their +2).

Summer Internship:

Students should complete an internship or lab training after the fourth semester.

3-Year UG Degree:

Students can exit with 133 credits for a UG degree and join for a 2-year PG program if they wish.

4-Year UG Degree:

Students can complete 177 credits, including 8-credit project, for honours degree, gain eligibility to write the NET and also complete the PG in one year.

4-Year UG Honours with Research:

For students who attain a minimum of 75% in graduation (up to the VI semester). They can acquire 177 credits, including a 12-credit research project for the honours with research degree programme, and can get admission directly to the PhD programme. Honours with research degree programmes are offered by departments with at least two PhD faculty members. Students spend the fourth year with a mentor.

(For more details: <https://cap.mgu.ac.in/mguugp/index.jsp>)

Why should one choose Sree Sankara College Kalady for pursuing an undergraduate honours programme?

"Sree Sankara College Kalady offers major programmes in 14 different disciplines, as well as a wide range of minor and multidisciplinary courses. This provides the student with a holistic education and multidisciplinary across the arts, humanities, and sciences in order to uphold the unity and integrity of knowledge. Nearly all the departments of the college have proficient and accomplished teachers, along with research facilities well-suited for students interested in pursuing honours with research."
